Press Release for Immediate Release

TSB Inc / Schultheis Electric, an industrial and commercial electrical contractor serving the greater Pittsburgh region since 1979, is proud to announce the addition of two industry veterans to its growing team.

Mike Seidel has been hired to lead TSB Inc's new office in Tyrone, PA and Mark White brings decades of experience in industrial solutions to our main office in Latrobe, PA.

Operating out of our Tyrone location in Blair County, Mr. Seidel is slated to be the lead Project Manager for customers along the I-99 corridor surrounding the Altoona and State College area.

Mike has over 35 years' experience in the electrical construction and service industry and brings with him a wealth of knowledge and a great reputation for customer service. Starting his career as an electrician, Mike progressed over the years to become one of the leading project managers in the area, with extensive experience in industrial, institutional, and job order contracting. His experience includes exemplary management of electrical projects of all sizes.

Mark White has joined TSB Inc's main office in Latrobe, PA in our Service & Special Projects division. With over 30 years' experience in the electrical distribution and sales industry, Mark brings to the table a diverse background in industrial electrical products, logistics, and material procurement. His presence adds to our commitment in delivering the expertise of seasoned, diverse managers in the service department.

TSB Inc's lead engineer, Tim Schultheis II, commented, "I am eager to work with both Mike and Mark as they contribute to the success and fast-paced growth we have experienced in recent years.

With Mike Seidel, we are making a commitment to better serve existing customers in the Johnstown and Altoona area, as well as reach out to new customers and continue to improve our competitive edge in an expanding market.

Mark White's background, providing electrical solutions for customers across Western Pennsylvania, Eastern Ohio and Southwestern New York, is sure to prove invaluable as we strive to maintain the highest quality service for our commercial and industrial clients."

Founded on core principles of delivering projects on-time and on-budget, TSB Inc/Schultheis Electric is a family owned and operated Electrical Contracting company founded in 1979 by Tim Schultheis Sr. Our main offices are at 304 Sanford Street in Latrobe, PA.
